New League Sweat Shirt

Also, after completing registration check out the sweatshirts. Kathy McDaniel has created a striking new logo for the NW Agility League. Information available at "League Sweat Shirt" on the CAT web site <http://mysite.verizon.net/res1wafz/catteamsfornwagilityleague/id11.html>

Team Sign up Explanation

To Form a Team: Two RAT Members may form a team in league. One of the organizers must have competed at a high level in agility: Masters, Elite, Excellent, or Level 4 in the various agility venues. The second organizer has only to have entered a trial. In the entry form, please include both organizers names and the team name which should begin with RAT (RAT Pack, etc.). The second organizer and name could be emailed later to boxersbounce@earthlink.net. The dog must be able to do all obstacles safely.

To be Drawn onto a Team: A RAT Member must have entered an agility trial and will be selected for a team by blind draw prior to October 10th. The dog must be able to do all obstacles safely.

For Exhibition Only: A RAT Member may sign up For Exhibition Only (FEO). This will be on a space available basis. Exhibition handlers may or may not have previously entered a trial. Exhibition handlers will run as individuals unless there are enough FEO dogs at your site to form a team. The dog should know the obstacles, but may go around any obstacle. The dog will not be judged or scored.

Join The Email List

This is a special purpose email list to coordinate the NW Agility League and is for announcements and scoring. Only the Site Leaders, the Chief Scorer, and League Coordinator may post to the list. You may subscribe to this list as a participant in League, as a Team Leader, Member of a Team, or For Exhibition Only (FEO). This list will be shut down after the last event in December, and you will be automatically unsubscribed.

You may self-subscribe to the list by sending a message to NWAgilityLeague-subscribe@yahoogroups.com from the email address at which you wish to receive the league postings (more than one is OK).

It is not necessary to register with Yahoo to receive messages, unless you wish to change your subscription. If you do not wish to continue to belong to NWAgilityLeague list, you may unsubscribe by sending an email from the address you are receiving messages, to NWAgilityLeague-unsubscribe@Yahoogroups.com

The Courses (when available) and Rules are on CAT's web site at <http://mysite.verizon.net/res1wafz/catteamsformwagilityleague/> and they may be downloaded at any time for review or practice. You will be receiving additional information about the League on the email list before we start.
